SWAN SONG

As I gaze into the past year, I think of all the progress that has been made, all the traditions that have been established, and most of all the fun that we have had on the El Espejo staff. We have worked hard, very hard, to try to give you the best record of your year at Dominguez High; the first and most indelible year.

Looking back I see how hard it must have been on the staff to adjust themselves to my saying of "Is your copy finished? Good. Now you can start on your indexing!" So let me thank you, the staff and typists, for your wonderful work because there couldn't be a staff better than you in the whole wide-world.

As I ponder some more, I see the wonderful assistance of our advisor, Mr. Ralph Tarzian. Without his marvelous knowledge of layout and design we would have been more lost than we were!

My thanks go to the Production Arts Staff and their wonderful work in the Advertising Department and their superb ideas for the division pages. To the Chris Myron Studios for their beautiful photography and to the other assistance they offered us, may I give my thanks. To Yearbooks Incorporated of California, Monrovia, we owe much for the wonderful job they did and for their terrific ideas for the annual.

The reflection is growing dim, and beginning to fade away is the first year at Dominguez High, a wonderful year.

Karen

It's been lots of fun this year, and I hope we can go right on having fun this summer and next year. Karen even tho we had a lot of arguments you're still rated high in my book. Stay as sweet and as cute as you are right now. Be good, you deserve the very best, and I hope we stay friends always. You're real sweet, lot of luck with Terry or who ever you like. Like I said before Be good and don't get into any trouble, well Karen I guess that's all I have to say, except I never forget this year,

I love ya
